April 25, 2022 Edition

## About the Monterey Bay Black Folks Event Calendar

The purpose of the Monterey Bay Black Folks Event Calendar is to connect the Black Community of CSU Monterey Bay with the local Black Communities of the Greater Monterey Bay Area. The idea for the calendar came out of the community forums organized as part of CSUMB's annual Super Saturday Black student recruitment events. The Calendar is edited by Steven Goings with new editions being released every Monday. Don't forget there is also a Facebook Group: [Monterey Bay Black Folks Calendar](#) where you can post anything related to Black Folks directly.

## From Dr. Pamela Motoike:

New College Corps  
Program-\$10,000  
Stipend for Service

- We are Seeking  
**African  
American  
CSUMB Students**

Because you have connections and mentoring relationships with African American students, I'd like to enlist your help in letting students know about the [CSUMB College Corps](#) program that will begin fall 2022. This is a new statewide program with the purpose of

reducing student debt, and developing the next generation of civic leaders. The College Corps Fellows will serve in the community by working 12 - 15 hours a week at a service site (rather than 3 hours a week for a typical SL course), become part of a leadership program and receive \$10,000 in a stipend and educational award.

We are looking for students who need assistance to pay for college (Pell, Cal State or Middle Class Scholarship eligible), can commit to two semesters in the program, with 12 -15 hours a week of service, and are interested in BIPOC-oriented leadership training.

We've found that what works well is when students are nominated for the program by you. You can forward the information to all your advisees/students/staff. However, if there are particular students that you think will be interested, you can tell them that you are nominating them. Or, send me their names and I will let them know that they have been nominated by you.

Thank you for sharing this information with your contacts through this email, [slide presentation](#), and digital flyer attached.

I'd be happy to answer any questions that you have about this exciting new opportunity.

Best regards,

Pam Motoike

students in the surrounding Black and Latinx communities. In organizing this year's event, we focused our intentions on the healing of our young Black and Brown females following the highly publicized racial incident at Salinas High School last year. While there has been some progress, we still have work to do.

### Why this event is important?

This event will bring together young Black and Brown ladies from the Monterey Bay Peninsula to support one another in overcoming internalized and institutional forms of oppression. We need these young ladies to know we are here for them.

### What do we need from you?

It's quite simple. Please share this event with your networks and encourage students (high school - college age) to come and participate in this virtual event as we take a ***Journey to Radical Self Love***. This event is being organized by CSUMB students, alumni, staff, faculty and community partners from Monterey Peninsula College Umoja, Hartnell College, Salinas Unified High School District, and many others. This event is free and all are welcome in this space.

Friend, did you see this urgent petition our team sent around earlier this week?

Without *immediate* reform, America's policing and justice systems will continue to threaten and brutally end the lives of countless Black Americans — while facing minimal accountability.

***We will not and can not stand for this injustice.***

***That's why the NAACP is calling on President Biden to sign an executive order ending qualified immunity and enacting a federal database increasing police accountability to the communities they serve.***

***Friend, justice too long delayed is justice denied! The time to make our voices heard is now, it can't wait. Be part of the change and sign the petition now to demand President Biden take action on police reform immediately! We still need [53] signatures before 11:59 PM >>***

**[SIGN THE PETITION >>](#)**

Friend,

When is enough enough?

This month, America watched horrified as police cam video showed law enforcement killing Patrick Lyoya in Grand Rapids, Michigan.

Today, yet *another* Black man lies dead because of the consistent stream of violence Black communities are forced to endure at the hands of police — ***this CANNOT continue.***

***ALL communities deserve to feel safe and stand protected.***

Immediate action is needed to halt this epidemic of police violence plaguing Black communities across America.

And with federal policing reform legislation stalled in Congress, we must take to the White House.

***The NAACP is calling on President Biden to sign an executive order immediately ending qualified immunity and enacting a federal database so we have transparency with the law enforcement that serves our community.***

An executive order is not a substitute for meaningful legislation. But it's a start, and it needs to happen NOW.

**It's time to END the horrors of police brutality and demand accountability from law enforcement! Sign your name now to join us in calling on President Biden to sign an executive order on police reform now. This cannot wait any longer!**
