January Events Edition, 2024

About the Monterey Bay Black Folks Event Calendar

The purpose of the Monterey Bay Black Folks Event Calendar is to connect the Black Community of CSU Monterey Bay with the local Black Communities of the Greater Monterey Bay Area. The idea for the calendar came out of the community forums organized as part of CSUMB's annual super Saturday Black student recruitment events. The Calendar, (originally edited by Steven Goings) is now produced by the Cal State Monterey Bay's Helen Rucker Center for Black Excellence and edited by HRE Administrative Support Coordinator Da'ja Robinson with new editions usually being released monthly; sometimes weekly

depending on news and capacity.

Don't forget there is also a Facebook group: [Monterey Bay Black Folks Calendar](#) where you can post anything related to Black Folks directly.

We invite you to participate in the 37th annual Dr. Martin Luther King, Jr. Celebration on January 15th, 2024. The day commences with a march from Obama Way and Noche Buena St. assembly at 11:00am and march will begin at 12m. Please show up representing your group, school, team, organization. Posters, flags and banners are welcomed. This event will lead to the Oldemeyer Center, where the celebration will take place.

The 2024 theme is "It Starts with Me: Shifting the Cultural Climate through the Study and Practice of Kingian Nonviolence." Nonviolence is a love-centered way of thinking, speaking, acting and engaging that leads to personal, cultural and societal transformation.

Join us to honor the legacy of Dr. MLK Jr., who famously stated: "We need leaders not in love with money, but in love with justice. Not in love with publicity but in love with humanity."

2024 MLK Day, Seaside Celebration's Guest Speaker Dr. Darrell J. Wesley

Reverend Dr. Darrell Wesley is a native of Chattanooga, Tennessee, and grew up as the grandson of a Baptist preacher, the late Rev Fred Wesley. Dr. Wesley is an ordained Elder in Full Connection with the Christian Methodist Episcopal Church and has served as Senior Pastor to five CME churches. In July 2023 he was appointed senior pastor for Redlands First United Methodist in Redlands, CA and is the first African-American pastor in RFUMC's long and esteemed history. He is a strong proponent of social justice. His preaching emphasizes the importance of prophetic witness, which champions a call to aid the "least of these."

Dr. Wesley is also a writer and scholar with an impressive academic record. He holds an A.A. in English from Southwestern Christian College, a historically Black College in Terrell, Texas, where he was inducted into the Alumni Hall of Fame in November 2014. He received his B.A. in English and a master's degree in biblical studies from Abilene Christian University and, in 2020, was honored with their Distinguished Alumni Citation. His other degrees include a master's degree in theology from Yale University and a master's degree in philosophy from the University of Tennessee. He also has two doctorate degrees, a Doctor of Ministry from United Theological Seminary and a Ph.D. in Religion from Claremont Graduate University. His publications include a recently book, *Toward a Postmodern Ethic of Radical Freedom: Cornel West and Michel Foucault in Discursive Dialogue*, a book chapter "Let the Redeemed of the Lord Say So: Viewing Rap Music as a Form of African American Spirituality," two articles, "Always Faithful: An Essay on Marine Corps Spirituality," and "Say It Loud: Black Preaching as a Counter Hegemonic

Movement." Dr. Wesley also served as a Navy Chaplain for twenty-three years, retiring at the rank of Captain (the same as a full Colonel) in February 2019.

In his last tour as a senior officer, he supervised over sixty chaplains and chaplain assistants. From August 2013 to June 2014, The Chief of Navy Chaplains selected him to attend the prestigious Naval War College in Newport, RI. During that academic year, he served as a Gravelly Fellow concentrating in Military Ethics. From 2005 to 2008, Captain Wesley served as an Ethics Professor and Protestant Chaplain for the Naval Postgraduate School in Monterey, CA. In addition to his academic, ecclesiastical and military work, Dr. Wesley has served as an advisory board member for the Center for Disaster Relief, an advisory board member for the Riverside Fair Housing Council, and an executive board member of the African American Council of Empowerment for the state of California. He is also a member of the American Academy of Religion and the Alpha Phi Alpha Fraternity.
